December 1, 2011

Happy Holidays from all of us at Crowley Lake Fish Camp

This is an exciting time at CLFC. 2012 marks our 20th anniversary in business at Crowley Lake. We have many improvements to the facility planned for the next couple of seasons.

We plan to remodel the front gate entrance station, build a new fish cleaning station, and remodel the public bathrooms. The remodel of the bathrooms will include the installation of shower facilities. We also plan to expand the existing RV Park, and launch a new website.

As part of our transformation, we have installed 2 rental cabins. The cabins have spectacular lake views, spanning from the McGee Canyon all the way to the North Arm and White Mountains. Sunrise and sunsets are spectacular from the large exterior decks. The ladies will love the cabins too. Each cabin will be outfitted with luxury linens, down comforters, comfortable mattresses, fully stocked kitchens, and gas BBQs. All you need to bring is your toothbrush and favorite foods! Oh, and, of course, your fishing tackle.

Ask about special package rates that include a cabin rental & rental boat or a cabin rental & dock space for your own boat. We will also have special deals on mid-week cabin rentals. Keep checking our website for specials.

Opening day of the 2012 fishing season is Saturday, April 28th. We will begin taking boat, camping, & cabin rental reservations at 8am on Monday, January 2, 2012. Please call Debbie at (760) 935-4301 to reserve your boat or cabin. **All boat rental, cabin rental, and campsite reservations must be made over the telephone.** Our regular winter office hours (beginning Monday, January 2, 2012) will be Tuesday, Wednesday, and Thursday 8 AM – 5 PM.

Over the past few years, we have moved away from a paper-based mailing to an entirely email-based informational mailing. However, we realize that some of our customers do not have access to email and/or the internet. We have accommodated these customers by continuing to mail paper forms, as we are doing with this letter.

We would like to encourage you to provide us with a correct email address on your registration materials so that we may update your record and add you to our email list. By doing so, you will save a tree and help us to serve you better! In fact, we are so serious about getting your email address, that we will send you a coupon for a FREE drink of your choice from the Tackle Shop upon receiving your email address!

Rest assured that we will only use your email address for Crowley Lake official business. We will never sell or give your email address to anyone. We thank you in advance for providing us with your email address.

Please fill out the attached forms and mail them back to us at the above address. Please remember to enclose a self addressed, stamped envelope with your completed forms, so that we can return your passes to you.

Exciting stocking news...the Hot Creek Hatchery busily delivered truckload after truckload of trout this fall. The lake has received around 500,000 fish so far. We visited the hatchery a few weeks ago and saw thousands of browns, cutthroats, and rainbows that are being held over the winter for stocking just before Opening Day 2012. This should lead to great fishing for the season opener! The Hatchery Manager said to us "We want to bring Crowley back to the fishery it used to be." There is even talk of every other week plants of catchable size trout for Crowley!

We will be at the Fred Hall Show in Long Beach on March 7th to 11th. Come by and say hello!

The 14th Annual Crowley Lake Fish Camp Opening Day Big Fish Contest will be held on Saturday, April 28th. The Fred J. Hall Memorial Trophy as well as cash and prizes will be presented to the winners. Good Luck!
